## PROFILE

---

Creative storyteller with a strong passion for sports photography and design, focused on capturing dynamic moments and powerful visual stories. I have a strong background in producing high-quality content for collegiate athletics and fast-paced sports environments. A quick learner with over five years of experience using Adobe Creative Suite to create polished, engaging media across social media, websites, digital campaigns, and promotional platforms.

## EXPERIENCE

---

### SPORTS PHOTOGRAPHER/DESIGNER

Millikin Athletics | **2025 - Present**

- Capture game-day and media day photos for all teams
- Designed multiple photo backdrops and assisted in setting up new media suite
- Managed lighting, composition and post-production workflow to ensure professional image quality

### CREATIVE DIRECTOR/ DESIGNER

Millikin Creates | **2023-Present**

- Oversee all creative projects, ensuring visual consistency and high quality standards across photography, design and media social media content
- Managed deadlines and client projects from planning to delivery

### GRAPHIC DESIGNER

Big Blue Campus Store | **2024-2025**

- Designed a full line of apparel, including graphics and visuals, for the campus store.
- Created engaging social media advertisements to promote products and events, increasing student engagement.
- Managed multiple design projects simultaneously, meeting deadlines while maintaining quality and creativity.
